

Acqua Private Residences

Project Updates

January 2016

Turnover begins for Acqua Sutherland

As of January 2016, finishing touches for Sutherland (tower 2) have been made and units are currently being turned over to clients.

Partition works and finishing activities such as painting of interiors continue for Dettifoss (Tower 3). Installation of glass windows and railings are also ongoing.

At the Livingstone (Tower 4), installation of glass windows and railings on all floors is completed, while installation of balcony tiles, unit doors, plumbing fixtures are ongoing. Interior and exterior paintings are also heavily underway.

The Iguazu, (Tower 5), has advanced to 21 floors while steel works for The Pebble is complete.

Acqua Private Residences is developed by Century Limitless Corporation under Century Properties Group Inc. It is located in Mandaluyong and is a 10-minute drive from Makati, accessible via the Makati-Mandaluyong bridge and the new Estrella-Pantaleon Bridge.
